

# net — gross tax table: tax-year 2009/2010

This table is for guideline purposes only — figures rounded to the nearest pound — based upon 2009/2010 tax and National Insurance rates for a person on a standard tax code. NI threshold at £110 gross per week and tax threshold at £125 per week. The Total Cost figure comprises Gross Pay plus Employer's NI Contribution. Please note that where a nanny has more than one job or wage in the same week then these figures do not apply.
